IMPORTANT NOTE! - Eden Place Farmers Market has implemented a credit/debit/EBT (food stamp) program. The market's goal, with vendors as partners, is to provide alternate payment methods for customers in the form of LINK, debit and credit cards and Senior WIC Farmers Market Stamps. We wish to provide an additional revenue source for vendors, and to offer fresh, local food to low-income families who receive food stamps. For consistency in the program and clarity for the market customer, the market offers all vendors opportunity to participate in the program. Customers will purchase EBT/credit/debit tokens at the Market Information Table and will use tokens to purchase products directly from vendors. All vendors will benefit from this shared technology. Additional training on the program will be provided to approved vendors
